Subject: request for info 0732-EX-ST-2026

Message:

Part 5 experiments must operate on a non-interference basis to existing users. It is not feasible to coordinate your request on a nationwide basis with all licensees. Please identify areas where you intend to actually test and can manage and address any interference concerns. Then, go back to your application and create/open antenna location(s) and enter the required parameters (i.e., coordinates, frequency band, emission designator, ERP, etc.).

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of May 20, 2026 may result in application dismissal pursuant to 47 CFR § 5.67 and forfeiture of the filing fee pursuant to 47 CFR § 1.1111.
