Subject: OET Experimental License Expiration Notification, Call Sign: WD2XEP

Message:

This is in response to a correspondence sent to Glenn Strout, a former employee of the University of Massachusetts. He is no longer the point of contact for this license. The new point of contact is Chris Jakubiak, email: cjakubiak@umassd.edu, phone 508-910-6377. I would like to submit the information for renewal of the experimenal license for the CODAR station at Cape Cod.
