Subject: Request for Info - File # 1637-EX-ST-2018

---

Message:

I have emailed the updated SpaceCap file for the CANOP mission directly to Douglas Young at the FCC on 12/1/2019 since the FCC web site is not allowing the .txt or .mdb file to be uploaded. The exhibits for the SpaceCap file HAVE been uploaded via the FCC site.

All documents are current including:

- The Globalstar license
- The updated SpaceCap file
- The new ODAR file
