Subject: File Num#0148-EX-CM-2020 reminder on FAA pre-coordination data request

Message:

File No. 0148-EX-CM-2020

Ref. 57151

Mr. Young:

A reminder inquiry was sent by the ELS on 9/1 re: the need for FAA coordination.

This is to confirm that in August the application was amended to remove the 5150-5350 MHz band.

Accordingly, SAIC again assumes that no further action is required from the applicant with respect to FAA coordination.

Please advise if this understanding is incorrect.

Best regards,

Jeff Rummel
Attorney for SAIC
