

Form 442
Exhibit 1

Government Contract: FA8750-05-D-0082

Agency: U.S. Air Force Research Laboratory, Rome Labs

AFRL POC: Mr. Greg Hadynski; email: hadynski@rl.af.mil; phone: 315-330-4094.

Project Title: Covert Wireless Networked Sensor System Technology

Scientific Research Corporation has a contract with the U.S. Air Force Research Laboratory that calls for performance evaluation of an experimental radio system developed by Scientific Research Corporation. Performance testing of the experimental radio system will include over-the-air transmission of digital data within a wireless network of the experimental radios.

Government Contract: N00014-05-C-0080

Agency: U.S. Navy, Office of Naval Research

ONR POC: John Moniz, Program Officer; email: monizj@onr.navy.mil; phone: 703-696-2492

Project Title: Cave-optimized Audio/Video-Enabled Network (CAVE-Net)

Scientific Research Corporation has a contract with the Office of Naval Research that calls for performance evaluation of an experimental radio system developed by Scientific Research Corporation. Performance testing of the experimental radio system will include over-the-air transmission of digital data within a wireless network of the experimental radios. This includes urban and subterranean environments.
