RE: **Letter of Concurrence & Consent for Screened Images, Inc. Pilot in Avenal, California File. No. 0541-EX-ST-2012**

Dear Sir or Madam:

Pursuant to Part 5 of the rules of the Federal Communications Commission ("Commission"), 47 C.F.R. Part 5, AT&T Mobility, LLC, on behalf of its wholly-owned subsidiary New Cingular Wireless, LLC (collectively "AT&T") hereby submits this letter of concurrence with the associated application for an experimental Special Temporary Authorization ("STA") in the Avenal, California area, filed by Screened Images, Inc. (Screened). Screened seeks to demonstrate the feasibility of there managed access mobile radio communication system, in a 'real-world' environment from 11/26/2013 to 7/1/2015 pursuant to grant of this experimental STA by the Commission.

Screened's application requests to operate on frequencies associated with five licenses within a 0.8 km radius of a specified center point in Avenal, CA (35-58-24 N/ 120-7-25.0 W). The licenses are:

CALL SIGN	BLOCK	FREQUENCIES
KNKN462	A	824.04-834.99/ 869.04-879.99, 845.01-846.48/ 890.01-891.48
KNLF209	B49	1875-1880, 1955-1960
KNLG573	D	1865-1870, 1945-1950
KNLG659	F	1890-1895; 1970-1975
WQJS259	B48	1870-1875; 1950-1955

Screened requests to use, *these channels* for its demonstrations. Screened is working cooperatively with AT&T, has agreed to coordinate the demonstrations of its technology with AT&T, and will avoid harmful interference while conducting the demonstrations. In addition, Screened has agreed to immediately cease operations should any interference issues arise during the demonstrations.

AT&T desires to consent Screened's testing of its technology and, therefore, agrees to permit Screened to use the referenced channels within 0.8 km of Avenal, CA (35-58-24 N/ 120-7-25.0 W) for a period of 11/26/2012 up to 7/1/2015 after the grant of the associated application. In authorizing Screened to use AT&T's licensed spectrum in this

manner, AT&T accepts responsibility for any failure of an actual subscriber communications which may occur in the area in which Screened is authorized to operate during the course of its operations under the requested experimental STA. Accordingly, AT&T supports the grant of the associated application for an experimental STA.

If there are any questions regarding this matter or additional information is required, please contact the undersigned at 202-457-3065.

Sincerely,

/s/ Brian J. Benison
