Subject: Request for Info - File #0138-EX-CN-2017

Message:

You will have significant difficulty licensing the 1982-2027 MHz band. You would have to get consent of all broadband PCS licensees in 1982-1995 MHz and all AWS licensees in 1995-2020 MHz. You should adjust your frequency request accordingly.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of March 06, 2017 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
