Subject: Request for Info - File # 1797-EX-ST-2018

Message:

You have requested an extremely large number of unapproved devices. Submit a justification for the large number of units. The FCC does not like allowing this many non-approved units out in circulation. You should be requesting the minimum number of devices to determine suitability. Who are the devices being distributed to? Are they members of the general public or some more specialized group?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of October 18, 2018 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
