Message:

Mr. Ghaffari:

In response to your correspondence to BAE Systems" Mr. Mike Matsick dated March 22, 2007 (Ref. No. 4834), this is to advise you of the following:

As stated at Page 1 of Exhibit 1 to the application (File No. 0282-EX-PL-2006), operations for this experiment are associated with the following:

- A classified contract, the contract number, relevant agency and point of contact for which was submitted to the Commission's Security Office in connection with a previously-filed experimental application under File No. 0001-EX-ST-2006.
- Internal range calibration and optimization tests , which are not currently associated with a contract.

Respectfully submitted,

Jeffrey Rummel
Attorney for BAE Systems
