Subject: Request for Info - STA File #0033-EX-ST-2014

Message:

Dear Sir,

I started the submission of the application on the 16th, but did not have our company password to login to the website, so I had to abort the submission. That must be the 0032-EX-ST-2014 application that the system is showing you. The following day, I logged back in, with the password, and completed the form 159 and paid the dues, as requested.

0033-EX-ST-2014 should be the only submission to be processed. Is there a way I can login and remove the 0032-EX-ST-2014 submission? You are quite correct, I also did not pay the fee for that submission, as I never managed to log into the site using my FRN and password to complete the transaction.

I apologize for any confusion, this was the first time I've had to apply for a temporary license, so it took a while and multiple tries to gather all the relevant data.

Kind Regards,
Morne Stramrood
