Hello, Carl,

Thank you very much for your call this morning.

I am sorry for filing a wrong form 442. Only filing a form 405 is correct for a renew License.
Now I ask you help us to correct my mistake.

We want to renew our Experimental License for another 5 years. The call sign is WC2XOO.
The frequency is kept the same, 220-240MHz. The Emission Designator is currently 1M00G7D.
I don't know whether it can be changed (or modified) to 1M00D1D or not. If Okay, please help us.
If No, we also thank you very much.

Thanks very much.

Have a nice day.

Best Regards
Michael Xie
