Subject: Request for Info - File # 0052-EX-ST-2020

Message:

A 400 kHz bandwidth in the 450-470 MHz band is very likely to affect public safety operations. You will either need to select specific channels or be restricted from operating on public safety frequencies. What is your choice?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of January 13, 2020 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
