John,

In our STA application, please change the geographic description of our antenna locations (Area A and Area D) from circular to rectangular. The coordinates are shown below.

Location	Min Longitude (deg)	Mid Longitude (deg)	Max Longitude (deg)	Min Latitude (deg)	Mid Latitude (deg)	Max Latitude (deg)	Radius (km)
Area A	78° 29' 00"	78° 14' 30"	78° 0' 00"	38° 30' 00"	38° 45' 00"	39° 0' 00"	0/NA
Area D	78° 29' 00"	78° 14' 30"	78° 0' 00"	38° 00' 00"	38° 15' 00"	38° 30' 00"	0/NA

The SSC office antenna location is a point location as shown below.

SSC Office		77° 14' 43"			38° 55' 33"		0
------------	--	-------------	--	--	-------------	--	---

Thanks,

--Mark
