**Re: T-Mobile consent for testing of Correctional Call Center Control System
(CS) by ShawnTech**

Dear Mr. Gittelson:

T-Mobile has been made aware that ShawnTech has been authorized by the Federal Bureau of Prison to install and operate a managed access system in the immediate vicinity of a specified center point in Florence, CO (38-21-30.17 N / 105-06-25.9 W). ShawnTech seeks to demonstrate the feasibility of their proprietary technology, Correctional Cellular Communication Call Control System, C5 Contraband Assessment/LAMS, in a "real-world" environment and this system will initially operate under ~~0288~~EX-ST-2014. The holder of this STA is hereby authorized by T-Mobile to operate this managed access system on MTA022 (UL 1870-1885/DL 1950-1965 and AW-REA005-F (UL 1745-1755/DL 2145-2155) for the initial duration of the STA.

Please feel free to contact me with any questions or comments.

Sincerely,
