Subject: Request for Info - STA File #0364-EX-ST-2016

---

Message:

The 900MHz data link mentioned in Shield Aviation's submission is an unlicensed 900MHz link, this link will be utilized for an R&D effort to disseminate onboard data to multiple locations. This is a temporary data link test. uplink and downlink for primary Command and Control of the aircraft will be at 4660 MHz
