

From: Mitchell Lazarus

To: Leann Nguyen

Date: October 22, 2007

Subject: FCC File# 0052-EX-ML-2007

Message:

The application seeks authority for the first site listed therein, United States (all 50). The reference to eight sites currently licensed was produced automatically by the Electronic Licensing system and is redundant. The applicant continues to seek authority as applied for in File No. 0052-EX-ML-2007.
