Regionet Wireless License LLC  
PO Box 9227  
3700 Campus Drive Suite 100  
Newport Beach, CA 92600

Dear Sirs:

Regionet Wireless License LLC is the licensee of record of an AMTS station, call sign WRV374, location ID 17 at the coordinates 394814N 7535397W, identified as the geographical location 0.5 mile east of Delaware route 52, in the city of Winterthur, New Castle County, Delaware. The center frequency of operation is 217.51250 MHz.

Pursuant to Section 97.303(e)(5) of the Federal Communication Commission rules, this serves as a petition and notification of intended operation of station K3TU at the coordinates 399778N 751457W, identified as 12th and Norris Streets, Philadelphia, PA in point-to-point service to station W3YC at the coordinates 400630N 750797W, identified as Cottman Avenue and Algon Street, Philadelphia, PA. The center frequency of operation is 219.25000 MHz and emission designator 70KF1D. The transmitter PEP output power is 35 W (maximum) at each location with horizontally polarized, 10 dBi gain Yagi antennas at 22 and 45 meters (K3TU) and 28 and 9 meters (W3YC) height above mean sea level and mean height above ground respectively.

Pursuant to Section 97.303(e)(5), I am requesting permission in writing for this intended operation from Regionet Wireless License LLC to be sent to the petitioner:

Dennis Silage, PhD K3DS  
Department of Electrical and Computer Engineering  
College of Engineering  
Temple University  
Philadelphia, PA 19122

Sincerely,

Dennis Silage, PhD K3DS  
Professor
