FCC File # 0154-EX-PL-2006

---

Message:

John,

Our request is for 6.069 watts peak ERP. Also, I have attached a revised Exhibit 1 with a correction to the peak output power. There was a typo stating 70dBm (10watts). I have changed that to read 40dBm (10watts) Please give me a call if you have any other questions.

Thanks,

Mike Williams
