

Request For Confidentiality

As to .457 and .459 of the Commission's rules

Documents Involved-

Form 442- Application of David Solomon for Authorization Under Part 5 -Experimental Radio Service

Reason- As the field of experimentation involves perceptions and reactions of the general public and existing radio service, it is important to not generate publicity surrounding the experimental station- other than off the air.

Request Confidentiality for Period from Commission grant date for six months after.
