Message:

Thanks for your message.

1. Re confidentiality, we are requesting confidential treatment only for the information contained in the exhibit that should have been attached to the filing. We understand that applicant name, contact info, location, frequency and power, etc. cannot be kept confidential.
2. I've attempted to resubmit the confidentiality request/exhibit and certification using the ELS "Add Attachments" page. Please let me know if they have not arrived.

Thanks again

JM
