Your request is very brief in your application, please provide a more detailed description of the product you wish to test. Has it been approved by the OET lab and what rule part is it intended to operate under? Please note that the 5.0-5.25 GHz band is allocated to Aeronautical Radionavigation and will require government coordination.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of December 27, 2002 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
