Subject: Partial grant request for File # 0169-EX-PL-2005

Doug,

If the final frequency band for our experimental license (File # 0169-EX-PL-2005)is still pending, I'd like to go ahead and get a partial grant for the three currently approved bands :

4200-4400 kHz
6200-6500 kHz
8250-8450 kHz

Do you know how long it will take to process the partial grant?

Thanks,

Hannuman
