Daniel McMakin is the designated point-of-contact to terminate transmissions if interference occurs: 985-385-7036.

Payment was submitted on 5/6/11. Agency tracking ID: PGC1944229

Authorization Number: 092582

We have the emission designators and bandwidths in the application, but I will try to reenter both the emissions and bandwidths.

We submitted a lengthy and very detailed Purpose of Application with our application. What am I missing on that?

Looking forward to your response,

Daniel McMakin
