Subject: Request for Info - File # 0929-EX-CN-2020

Message:

The ERP you listed in the data of the application is 31.6 pW. It looks like you entered the EIRP value into the ERP data field. Regardless, your application will fail at NTIA if you use an ERP of 31.6 pW and a distance of zero. I suggest that you amend the application so that 19.2 pW is in the ERP field.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of February 24, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
