Subject: Request for Info - STA File # 0128-EX-ST-2006

Message:

What parts of the application are you requesting to be withheld from public? We will not withhold from public any technical data necessary for investigation of possible interference, and we will not withhold the entire application. The only parts the public cannot view right now are Exhibits 1, 2 and 3. Also, our management requires that the confidentiality request answer the nine subparts of 47CFR0.459(b), item-by-item.

The letter from Nextel authorizes the use of three discrete frequencies. Frequency bands have been entered into the application. Please explain the discrepancy. None of the ERPs in the application have units. What are the ERP units?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of March 07, 2006 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
