Subject: Request for Info - File # 0449-EX-CN-2017

Message:

What is the elevation of the earth station? According to the NTIA Manual, elevation must be entered as a five-digit number representing the site (terrain) elevation in meters above mean sea level (MSL). Your entry of "000xx" won't pass validation.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of October 19, 2017 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
