Subject: Request for Info - File # 0449-EX-CN-2017

---

Message:

We have discussed the matter with NASA Wallops, who is discussing the matter with the spectrum office. Some confusion arises from the fact that an agreement is already in place with Wallops to use this ground station and space radio, which is also a subject of discussion on the NASA side. Our discussion took place on 4/3 and we are waiting for a response from NASA.
