Subject: Request for Info - STA File #0454-EX-ST-2016

---

Message:

Both 0454-EX-ST-2016 and 0388-EX-ST-2016 are to be used for fairing re-radiation and stand-alone spacecraft checkouts; however, the two licenses are for two different spacecraft/launches. Currently, the need dates requested in the licenses overlap due to the close proximity of the two launch dates.
