

From: David Den Herder

To: Doug Young

Date: October 26, 2015

Subject: Request for Info - STA File #1094-EX-ST-2015

---

Message:

The launch is planned for No Earlier Than (NET) 23-NOV-2015. The launch is now on a LEO trajectory (not GTO). Updated trajectory data has been provided directly to the AF and NASA.
