Compared to 1201-EX-ST-2018, the frequencies for the first and second stages are reversed on 2104-EX-ST-2018. Is this supposed to be this way? If not, amend the application and be sure that the proper ERP values are associated with each frequency.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of December 18, 2018 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
