Subject: Request for Info - File # 2346-EX-ST-2019

Message:

Respond to the following request from NASA:

Since this STA request implies that the operations will support the SAOCOM-1B launch, NASA requires the launch vehicle trajectory for the planned launch in order to evaluate the request. The planned launch trajectory should also be accompanied by a schedule of uplink operations during launch operations.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of January 06, 2020 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
