Subject: Request for Info - File # 0800-EX-CN-2025

Message:

I'm unable to process all the applications as you requested. Please provide the following information as soon as possible if you would like to start the experiments on time.

- 1- Based on your Technical Description that you submitted on May 8, 2025, three satellites are used in different bands. Please identify which satellites are used for K-band, UHF, S band TMTC, S band Feeder Link, S band Service Link ...
- 2- You stated that "this application is for CTC-1A" for all the three applications (0546-EX-CN-2025, 0800-EX-CN-2025 and 0801-EX-CN-2025). Please correct them.
- 3- Please correct NTIA Space Record data form including satellite name, transmit frequency, earth stations for each satellite at each application.
- 4- Provide GIMS and SpaceCap Database files as requested 05/13/25.
- 5- Provide the Iridium companion license filing number as requested 05/13/2025
- 6- NTIA coordination Template - Earth stations outside US as requested 05/13/2025

All your information should match the information on the application form. Any missing or incomplete request information can cause a delay in the process.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of July 22, 2025 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
