

Description of Modification

Sperry Marine, a business unit of Northrop Grumman Systems Corporation ("Sperry Marine"), is filing this Form 442 application for the modification of the experimental radio station license under Call Sign WC2XPT to notify the Commission that U.S. Navy contract number BOA N00104-94-G-A020 has expired, and to request modification of the license to allow Sperry Marine to continue operate the facilities authorized under Call Sign WC2XPT to design, test and produce marine radar equipment. Therefore, this application requests modification of the license to permit Sperry Marine to operate the facilities under Call Sign WC2XPT pursuant to Part 5.3(g) of the Commission's rules, rather than Part 5.3(b) of the Commission's rules. Sperry Marine requests no changes to the technical parameters of the authorization.
