Re: Spike Technologies, Inc.
Experimental Station WA2XCV
Nashua, New Hampshire

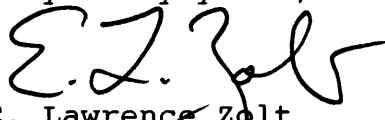

Dear Nazifa:

Enclosed on behalf of Spike Technologies, Inc. pursuant to my letter to you of July 31, 1997 and our previous conversation, is a letter from CAI Wireless Systems, Inc. indicating "no objection" to extension of Spike Technologies market studies authority under the above-referenced experimental license.

We would appreciate receipt of written confirmation from the Commission that such authority has now formally been extended.

Your ongoing cooperation in this matter is genuinely appreciated. Please contact undersigned counsel if there are any questions or if additional information is required.

Very truly yours,

E. Lawrence Zolt
