Subject: FCC File No. 0001-EX-ST-2008

Message:

It is possible to reduce the number of transmitters operated pursuant to this STA to 50 rather than 60, but 50 would be the bare minimum that this system requires in order to function properly. The applicant can operate with 50 units and can accept such a condition on the STA grant.

Respectfully,
Chris Imlay, counsel for Sportvision
