DISMISSED-WITHOUT PREJUDICE

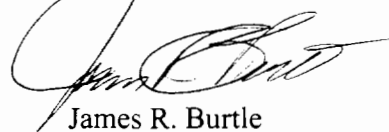

Dear Ken Milnes,

This refers to application, File No. 0044-EX-PL-2006, for an experimental authorization.

You are advised that the Commission is unable to grant your application for the facilities requested. Your request is too broad. Nationwide authority is too open-ended. This office would consider six-month STA requests at defined locations for defined dates. An example of a similar application that was approved is 0137-EX-ST-2003.

Responses to this correspondence must contain the Reference number : 4130

Sincerely,

A handwritten signature in black ink, appearing to read "James R. Burtle", written over a horizontal line.
