Subject: 1385-EX-ST-2026 pre-coordination data request

---

Message:

The applicant has filed and paid for all five AFTRCC coordination applications. Four of those have been granted thus far, for Portland, OR, Washington, DC, Newton, IA and Richmond VA. The only application still pending is for Loudon, NH and that is expected imminently. It will be attached as an additional exhibit when received, as have the four sites which AFTRCC has already coordinated.
