

**FCC Application for Experimental License
Exhibit 1 Information on Experiment**

File Number: 0253-EX-CM-2020

SRC respectfully requests the Federal Communications Commission to modify our Experimental License for FCC File 0253-EX-CM-2020, Call Sign WI2XOD to add an additional waveform and additional locations for the purpose of further testing of new waveforms for the SRC Inc., ESB Radar.

The period of the SRC requesting for our Experimental License over the period of January 1, 2021 through January 2023. The ESB Radar will be operated during normal duty hours and weather permitting.

New Locations we wish to our existing license is listed in the table below:

Location	Lat/Long	Elevation (AMSL)
Whitelaw, N.Y.	43° 7' 30.00"N 75° 47' 16.00"W	412 ft (126 m)

Cease Buzzer for Experiment

SRC understands that operation will be on a secondary non-interference basis. In the event interference complaints were to occur, SRC has taken preventative measures to cease and desist from transmission until they can be resolved. SRC has established a Cease Buzzer point of contact to quickly react with any interference complaints that are the result of our system. The point of contact for the SRC Cease Buzzer is:

Location	Contact Number
Primary	(315) 452-8114
