Message:

Your recent exhibit states that the modification request would add five locations. The locations listed were already approved on the last application, 0142-EX-CM-2020. Is the only real change the addition of the 1M00F1D emission designator?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of October 29, 2020 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
