Subject: Request for Info - File # 0894-EX-CN-2019

Message:

Address NTIA's further comments:

"The frequencies selected seem to have been selected at random and do not follow the channel plan in Section 4.3.18 of the NTIA Manual.

"The applicant's reply describes how the system is going to be used but not why they have not used the channel plan(s). They need to select frequencies IAW the channel plan keeping in mind the bandwidths or explain why this cannot be accommodated."

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of March 02, 2020 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
