Mr. Young,

In response to the inquiry of 5/20/2020, "NTIA wants you to select a frequency from C13, C14 or C15", we have previously replied on April 13, 2020, that there are no equipment limitation that prevents us from using C13, C14, or C15. Assigning these frequencies will be adequate for our needs.

Regards,
Anthony Cimo
