Hi Nimesh,

The following items were emailed to you today, and as indicated, have been uploaded as exhibits to the application.

1) SpaceCap Calculations

Answer: The Spacecap database is attached, with the extension changed to .txt. To go with it, are the two antenna pattern diagrams, and the ITU cost recovery letter. The diagrams and the cost recovery letter also have been added as exhibits to the application.

2) SpaceCap Cover Letter

Answer: The SpaceCap Cover letter is attached.

3) NOAA Letter

Answer: The NOAA letter is attached, and has been uploaded as an exhibit.

4) NTIA Space Data Record

Answer: The NTIA Space Data Record is attached, in both MSWord and PDF formats. The PDF version has been uploaded as an exhibit.

Regarding the IARU coordination, we have applied for this but they have not sent us a coordination letter yet. We will forward this as soon as we get it.

Thanks,

Mike
