Subject: ITU Cost Recovery Fees for QB50 CubeSat Discovery.

Reference: FCC Experimental Application File Number 0238-EX-PL-2016

Dear FCC Secretary,

Stanford University is aware that as a result of actions taken at the International Telecommunication Union's 1998 Plenipotentiary Conference, and further modified by the ITU Council in subsequent years (1999, 2001, 2002, 2004, 2005, 2008, 2012 and 2013), processing fees will now be charged by the ITU for satellite network filings. As a consequence, Commission applicants are responsible for any and all fees charged by the ITU. Stanford University hereby states that it is aware of this requirement and accepts all cost recovery responsibilities associated with the ITU filings for the QB50 CubeSat Discovery. Please address all correspondence related to the CubeSat Discovery to the following point of contact:
