Dear Nancy:

Yesterday I tried to process a modification to WA2XZS and submit it electronically, but was unable to finish the modification due to some glitch in the program.

Please disregard that attempt and accept the enclosed modification on Form 442. We are correcting frequency 401.8855 to 401.8885 and correcting the spelling of the transmitter city name that appears under "Station Locations" on the license. That spelling should be Gridley.

A copy of the license is enclosed for your convenience. If you have any questions, please call me at (916) 657-6174.

Sincerely,

KAYLEEN BURKHALTER
