Federal Communications Commission
Experimental Licensing Branch
1270 Fairfield Road
Gettysburg, PA 17325-7245

Gentlemen:

We have just received the new license for Station WA2XZO and found a typographical error in one of the frequencies we had requested.

Please correct 401.8855 MHz to read 401.8885 MHz. If you have any questions, please call Kayleen Burkhalter at 916-657-6174.

Sincerely,

GLEN S. NASH
Senior Telecommunications Engineer
