However, we call your attention to the enclosed FCC Public Notice, dated June 26, 1996, which states that all versions of FCC Form 442 older than the March 1996 revision are now obsolete. Accordingly, we have enclosed two copies of the most recent form for your convenience, and request that you amend your above referenced applications by submitting the information on the new form. You may submit the amendments directly to this office, at the address on the letterhead, to my attention. No additional fee is required.

We appreciate your cooperation. Please allow approximately 90 days for processing of your filing.
