Subject: Request for Info - File #0010-EX-PL-2007

Message:

1. There are no power, emission and bandwidth data present in the application. Return to our electronic filing system and use the "Amend/Complete Application" filing option to enter these data. You can use Parts 2.201 and 2.202 of the FCC's rules for guidance on emission and bandwidth.
2. You have listed your transmitters as base and mobile, with a radius of operation of 32 km, yet have listed your station class for both frequency bands as "fixed." Explain. Are any transmitters operated while in motion, or are they only operated from fixed locations, but moved around within the listed radius?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of June 19, 2007 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
