Subject: Request for Info - File #0010-EX-PL-2007

---

Message:

It is understood that the 3500 - 3650 MHz band is for Government use. The equipment used in the 3500 - 3650 MHz band will be used to better understand operations and transmission characteristics of the equipment for use in foreign markets.

Please contact me if there is any questions.

Thanks,

J.J. Stutler
