

Exhibits relating to FCC form 442 - Question 14

Surrey Satellite Technology OTB minisatellite

Question 4: Has applicant or any party to this application had any FCC station license or permit revoked or any application for permit, license or renewal denied by this Commission? If "YES", include as an exhibit a statement giving call sign of license or permit revoked and relate circumstances.

OTB previously filed for an experimental license (File number - 0594-EX-PL-2013) and the application was dismissed - without prejudice. Included in the attached documents is the dismissal letter from the Experimental Licensing Branch.

Since this dismissal SST-US has been working with DoD to coordinate an acceptable spectrum use to support the government payloads. Included in in the attached documents is the email correspondence summarizing this pre-coordination effort.
