Applicant:

0426-EX-PL-2015

File Number:

37071

Correspondence Reference Number:

05/22/2017

Date of Original Email:

Does the satellite have any cameras on board? If so, submit a copy of the NOAA License to Operate a Remote Sensing Space System, if required.

OTB does not have any cameras on board. No NOAA License should be required for operations.

The items indicated above must be submitted before processing can continue on the above referenced application.

Failure to provide the requested information within 30 days of 05/22/2017 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
